Keeping an eye on screen time

Are your kids constantly glued to a screen? Where do you draw the line to keep screen time in check?

This quick guide can help parents manage screen time.

What is screen time?

Screen time is the amount of time spent watching a screen or electronic media for entertainment. It includes:

Screen time does not include time spent on educational activities, such as for school work.

What is the right amount of screen time? →

Health experts suggest these screen time limits:

Recommended Amount of Sleep by Age

Is your child getting the recommended amount of sleep each night?

thank
you!

The text 'thank you!' is written in a playful, rounded font. The letters are multi-colored: 't' is pink, 'h' is red, 'a' is yellow, 'n' is teal, 'k' is pink, 'y' is teal, 'o' is pink, and 'u!' is red. The exclamation point is yellow. There are five four-pointed stars scattered around the text: one red star above the 'k', one green star to the right of the 'k', one yellow star to the left of the 't', one red star below the 't', and one green star below the 'y'.
