

S BLOCK MURAL

Chris and Mandy from Operation Art and the Year 5 students of Epping West painted this amazing mural last Monday. The mural depicts the powerful owl that is featured on our S Block signage. The purpose of the mural is to raise awareness of this endangered animal. This is due to a loss of habitat. Materials used included spray paint and acrylic paint. Students also got to make their own tote bags to keep. See how the mural was took shape throughout the day.
