

Dear Parents, Guardians and Students,

I would like to take this opportunity to introduce my team at “Evette’s Lunchbox” to Epping West Public School. We are so grateful to become part of this community.

Evette’s Lunchbox is a family operated business with over 20 years of experience in the food & catering industry. We can assure you that we will provide only the best foods to our students and staff. We offer a menu that incorporates a vast range of wholesome foods, using only the highest quality ingredients and trusted brand names. Our meals are made daily on the premises, and are closely linked to the Healthy School Canteens Strategy. Also, be sure to keep an eye out for daily specials.

We will continue to use flexi schools for online ordering, alternatively Lunch bags will be provided for any student who wishes to place their lunch order at the canteen in the morning.

We would like to also take this opportunity to emphasise the importance of eating a well balanced diet. At the canteen, there will always be many healthy options, to help you make better choices.

Finally your comments and opinions are important to us. Please feel free to approach us with your suggestions or questions. Thank you in advance, for all your support and giving us this opportunity. I look forward to commencing in term 4.

Regards,

Evette and the Lunchbox Team 😊
