

EWPS Zoom Meeting Year ---Term 3 2021

We are excited to announce that Zoom Meetings for students will begin on Wednesday 28th July at 2pm. Interaction over Zoom will provide a connection between students and teachers that will enhance the students' wellbeing. It will also provide an opportunity for the class teacher to check-in with students in a virtual face to face setting.

Structured activities will be provided by the teacher during the meeting. However no content will be taught during this time. As mentioned above, this is a time for teachers to connect with students and check-in with them.

Each student will be allocated a time and sent the link for their zoom meeting by their teacher on Google Classroom.

Your child will also be sent a set of rules, along with a guide of how to set Zoom up using their DET Student Portal. Students will only be given access by logging in with their DET account. Please ensure that your child has a space and setting that is safe and sensible to take part in their class Zoom Meeting.

There is NO RECORDING or SCREEN CAPTURES permitted. Teachers and other students in the Zoom Conference have not given their permission to be recorded in any way.

We ask that students wear their sports uniform t-shirt and have their background set to 'blur' for the Zoom Meeting.

Please use the Student Help Guide to set your child up. If you have further questions, you can contact the class teacher by emailing the school.

Kind Regards,

Year 4 Teachers
